

System of Financial and Social Support for Students

Posting on the website reports (with photos, statistics, and analyses) about the financial and social support provided to students

In 2024, with the aim of supporting talented, socially active, and socially vulnerable students, **1,840 students** were granted financial incentives in the amount of **1 billion 904 million 400 thousand UZS**.

The university paid rental costs totaling **10 billion 070 million 211 thousand UZS** for **5,683 students**.

During the first quarter of the current academic year, **1,869 students** who need special attention—those who are orphans, come from low-income families, or actively participate in competitions and contests—received financial support.

Students who are genuine orphans or have disabilities and are in need of housing were allocated places in university dormitories and were **100%** exempt from payment for student accommodation.

Additionally, in honor of the **“International Day of Persons with Disabilities,”** on **December 2, 2024**, a festive event was held at the university.
